

RETIREMENT OF SERVICE

DATE: _____

NAME: _____

ACCOUNT NUMBER: _____

LOCATION: _____ COUNTY: _____

I am the owner/guarantor of the property, and since I no longer require electric service from Nishnabotna Valley REC at this location, request the Cooperative to remove its poles, conductor, meter, transformer and other property owned by the Cooperative.

I understand that if I want restoration of electric service at this location, I will be required to pay for removal costs, plus the estimated replacement costs of the necessary facilities.
