

Energy Trail Tour

2024

Nishnabotna Valley Rural Electric Cooperative and Northwest Iowa Power Cooperative invite you to join us for one of three Energy Trail Tours being offered this summer. This 3-day adventure will allow you to experience, first-

hand, how your power providers convert energy from water, wind, and coal into electricity. View coal being mined and see how those mines are then returned to productive farm and native grass lands. Enjoy interactive walking tours through a hydroelectric and coal-fired energy generation facility and other stops along the way. Meet other cooperative member-owners while traveling together across the Dakotas on-board a motor-coach bound for the North Dakota's Energy Loop. \$100 per couple covers your lodging, meals and entry fees. The remainder of your tour costs are covered by Nishnabotna Valley Rural Electric Cooperative. Ten lucky couples from Nishnabotna Valley REC will be selected at random from those who sign up.

YES, please enter our names in the drawing for the trip. We understand that if our names are drawn, we will be billed \$100.
